Fraser Academy & FAx

Boost Skills, Build Confidence, and Have Fun This Summer!

Keep your child's skills sharp this summer with our Summer Boost Camp, Small Group Learning, and 1:1 Learner Programs. Students gain confidence and engage in hands-on learning that boosts reading, writing, math, and executive function skills.

Summer Boost Camp
Grades 2-8

Through carefully structured morning sessions, students build foundational academic skills in language arts, math, science, art, music, outdoor education, and more, blending curriculum support with hands-on exploration.

Register

STEMphilic Camp
Grades 2-8

In our afternoon STEMphilic Camp, learners continue the day with inquiry-based STEM activities. From coding and robotics to creative math and science projects, learners take part in hands-on activities that challenge thinking and spark curiosity.

Register

The Writing Lab
Grades 4-6, 7-9

Over two weeks of daily small-group sessions, students strengthen core writing competencies — from idea generation and structure to clarity and voice — in engaging, supported workshops.

Register

Executive Function Bootcamp
Grades 2-8

In a parallel two-week small group format, learners build key executive function strategies, including organization, time management, task initiation, and academic planning.

Register

Fraser Academy & FAx

Contd.

Orton-Gillingham (OG) Instruction

1:1 Learner Programs.

This structured, multisensory approach helps learners strengthen reading, spelling, writing, and handwriting in a way that meets them where they are and supports their growth.

Register

1:1 Math Essentials

1:1 Learner Programs.

Build core mathematical foundations with explicit, multisensory mathematics instruction that closes gaps and fosters a growth-centered confidence in math.

Register

NILD Educational Therapy

Through individualized educational therapy, students develop critical thinking, memory, academic processing, and problem-solving skills. This approach nurtures clearer thinking and academic fluency across subjects.

Register

Executive Function Coaching

Support for organizing, planning, prioritizing, and self-regulation skills. Learners will gain tools to empower them to work smarter and with greater independence in academic and life tasks.

Register

RainCity Basketball

Get better here

RainCity Basketball Club focuses on developing athletes and leaders in Vancouver. With 25+ years of experience, we teach basketball skills and life lessons like teamwork, commitment, and respect. Our family-centered approach helps young athletes grow on and off the court, fostering a strong sense of community.

Learn More

Evergreen Cultural Centre

Locally treasured and widely respected, Evergreen Cultural Centre is the Tri-Cities venue for professional theatre and live performances, curated gallery exhibitions, and arts programs. We are dedicated to creating an inclusive, accessible place for our community to come together and immerse themselves in the magic of live performing & visual arts.

Learn More

Vancouver Film School

Sound Design

Must be 16 years old

Step behind the scenes of professional film post-production in this immersive 5-day Sound Design intensive. Guided by industry professionals, students will work with a short film to shape its sonic world — from sound spotting and editing to performing Foley, designing original sounds, and completing a final mix in a professional mixing theatre. By the end of the week, students will create stereo and 5.1 surround mixes while gaining insight into how sound enhances story and emotion.

Register

Motion Design

Must be 16 years old

Explore the creative process and technical prowess of being a Motion Designer. This experience will enhance your technical skills, enrich your creative portfolio, and provide a glimpse into our full-time programs. Guided by industry professionals, students will first creatively interpret a song, craft a visual narrative that enhances the song's experience, and delve into Adobe After Effects to design a short, looping reel designed to accompany the music, akin to the reels found on Spotify, YouTube and Instagram.

Register

Acting for Film & Television

Must be 16 years old

Challenge yourself creatively in this comprehensive 5-day Acting for Film & TV intensive. This experience introduces the foundations of on-camera performance while helping you build confidence using your voice and body as creative tools. Guided by working industry actors, students will explore script analysis, develop unique character choices, and learn how actors collaborate on a professional film set.

Register

Acting for Sci-Fi & Other Worlds

For ages 15 – 18 only

Step into futuristic worlds in this one-week Green Screen Acting intensive designed for teens aged 15–18. This experience explores how imagination and environment come together to create high-stakes, on-camera performances. Guided by industry professionals, students will build core acting skills, develop character choices through script work, and learn how to perform convincingly within imaginary settings. The week culminates in filming a green screen scene that brings these dynamic worlds to life.

Register

Vancouver Independent School for Science and Technology

Summer Camps at VISST

VISST camps and workshops are designed to be both fun and hands-on, allowing students in grades 4-9 to engage with STEM and Humanities topics in an exciting and immersive environment. They are developed and taught by award-winning instructors, including (VISST) teachers, PhDs and professionals, who bring their extensive knowledge and expertise to each program. The instructors are committed to ensuring that each student has a meaningful and enriching learning experience. The curriculum is designed to be dynamic and adaptable, allowing students to learn at their own pace and explore their interests.

It's a perfect mix of learning and fun!

Register

Parksville Beach Festival

Beauties & Beasts
July 10 - August 16, 2026 | 9:30 am - 8:30 pm

Known to locals as Beachfest, this 5 ½ week long family-oriented festival runs from mid July to the third week in August and includes the Quality Foods Sand Sculpting Competition & Exhibition, weekend concerts, daily buskers, a family event and a special weekend evening light up of the sculptures. This year's theme, Beauties and Beasts, brings imaginative characters and scenes to life, showcasing the incredible creativity and skill of the world's top sand sculptors.

- International Talent: 30 sculptors from around the world competing in Solo and Doubles categories.
- Daily Entertainment: Buskers performing throughout the festival.
- Weekend Extras: Live concerts and a dedicated Family Weekend (music and crafts).
- Learn from Pros: On-site lessons to learn sand sculpting techniques.

Quality Foods Sand Sculpting Competition
July 9 - 12, 2026 *Competition Hours Open to the Public: July 10 (2:00 pm - 8:30 pm), July 11 & 12 (9:30 am - 8:30 pm)*

The competition begins with "pound up" on Thursday, July 9 when the sculptors build and fill their forms. Once their forms are filled and the sculptor feels they are solidly packed, they may remove their forms and begin to carve.

Highland Pacific Golf

Junior Golf Camps

Camps run Monday to Friday and include fifteen hours of total range instruction. For three hours each day, campers sharpen their skills with our dedicated staff. Strong emphasis is placed on the fundamentals—stance, grip, posture, full swing, rules & etiquette, etc. As the week unfolds, campers receive quality short-game instruction and by Friday, each junior golfer will see improvement in his or her golf game!

Victoria City Rowing Club

Take Your First Strokes on Elk Lake. Learn to Row!

Rowing is a full-body workout that strengthens your legs, core, and arms while improving cardiovascular fitness. Its low-impact nature makes it gentle on the joints and accessible for all ages. Each stroke builds endurance, tones muscles, and increases overall strength, while the continuous, rhythmic movement helps improve coordination. Over time, rowing enhances stamina and leaves rowers feeling strong, energized, and healthy.

Full Day Camps

Weekly July and August

Youth Summer Camps offer a fun and engaging environment to build rowing skills, perfect for beginners and experienced rowers alike! The Full Day camp will run from 9:00 am to 3:00 pm with time for lunch/snacks throughout the day. With two rowing sessions per day, plus games and activities to enhance movement and flexibility, campers stay active while learning the sport. It's a great way to have fun, make friends, and discover the joy of rowing!

Half Day Camps

Weekly July and August

Experience rowing like never before with our half-day summer camp! The Half-Day camp runs from 9:00 am to 12:00 pm. Designed for beginners, this morning session introduces the fundamentals of rowing in a fun and supportive environment alongside our full-day campers. Led by Rowing Canada-certified coaches, you'll build confidence on the water while learning the basics. Loving it? Talk to our camp leaders about upgrading to the full-day experience!

Victoria Symphony

With a mission “to inspire, educate, and captivate our community through the transformative power of music,” the Victoria Symphony (VS) is one of British Columbia’s largest performing arts organizations. At the core of VS operations is our commitment to our orchestra: 44 outstanding professional musicians who share their expertise not only on stage with our audiences, but in the community as teachers at the University of Victoria, the Victoria Conservatory of Music, and in private studios. The success of VS is tightly connected to our ongoing and valued collaborations with other major artistic partners in the local arts community, putting us at the very center of Victoria’s cultural community.

MYC Victoria

Try a group piano class for free!

Enjoy singing, movement, basic keyboard geography, and gain insight into the MYC curriculum before deciding to enroll in the year-long program. Parents attend and participate with their children, experiencing music time together!

Sunshine 1 (age 4) Demo Class

45 minutes

This beginners keyboard program includes large muscle experiences in beat and rhythm as well as fine motor experiences in rhythm instrument ensemble playing. By the end of the first year, Sunshines are playing in C major and middle C positions and are reading from the staff.

Register

Sunbeams 1 (age 5-7) Demo Class

45 minutes

This keyboard program for kindergartners and first graders provides "big kid" lyrics to introduce concepts, finger numbers and keyboard geography. Songs and games are used to encourage and reinforce listening. Children will master the music alphabet from A to G, read two octaves of notes from the staff, and play C major and G major scales with primary chord accompaniment

Register

Haunted Manor

Haunted Manor is an immersive and interactive twist on the game of mini-golf. Putt your way through an 18-hole course set in a haunted manor with a ghoulish story to tell, or battle it out in our private ping lounge while enjoying some pizza and drinks before your game of mini-golf.

Canvas Church Oak Bay

Sports Camp

9am - 12pm | July 6-10 | Grades K-5

This camp offers a chance to explore some traditional sports (basketball, soccer, etc.), as well as learn some fun and creative games at the wonderful facilities of Monterey Middle School.

All experience levels welcome as we learn new skills and practice old ones in an encouraging atmosphere co-led by a former sports & rec director with decades of experience. Campers will be grouped by age and will enjoy team building together. We'll also learn how to be a good sport both on and off the field.

Register

Tennis Camp

9am - 12pm | July 20-24 | Grades K-5

Tennis pros Marcus and Martina Hatcher will be joining us all the way from Texas to lead their 5th camp for us! They have led tennis camps for kids in the U.S., Canada, and Wales for many years and expertly take all experience levels and give them an unforgettable time.

Whether your child has played a lot, or never held a tennis racket before, they will love this fun and informative camp. We'll also learn how to be a good sport on and off the tennis court.

Register

$65 registration includes a water bottle and camp t-shirt

Spirit of Math Winnipeg

Registrations for 2026-27 are now open!

We are a Canadian afterschool program for high performing students who are looking to be challenged. In our 90-minute weekly sessions, high-performing students experience Spirit of Math's Four Elements: problem solving, collaborative group work, drills, and our core curriculum all in one cohesive format. This keeps each student engaged, fuels their curiosity, and delivers more depth in a single class than most schools cover in an entire week.

Students enroll at their day-school grade level but immediately dive into material designed to outpace standard classrooms. High-performing students tackle in-depth explorations of theory, challenging problem sets, and strategic reasoning exercises, equipping them with the analytical agility to excel far beyond the typical program. Registrations are now open for 2026-27 school year, and spots are filling up soon - Visit our website and book a free assessment class at the location closest to you!

Vigier Hockey

Eat. Sleep. Skate.

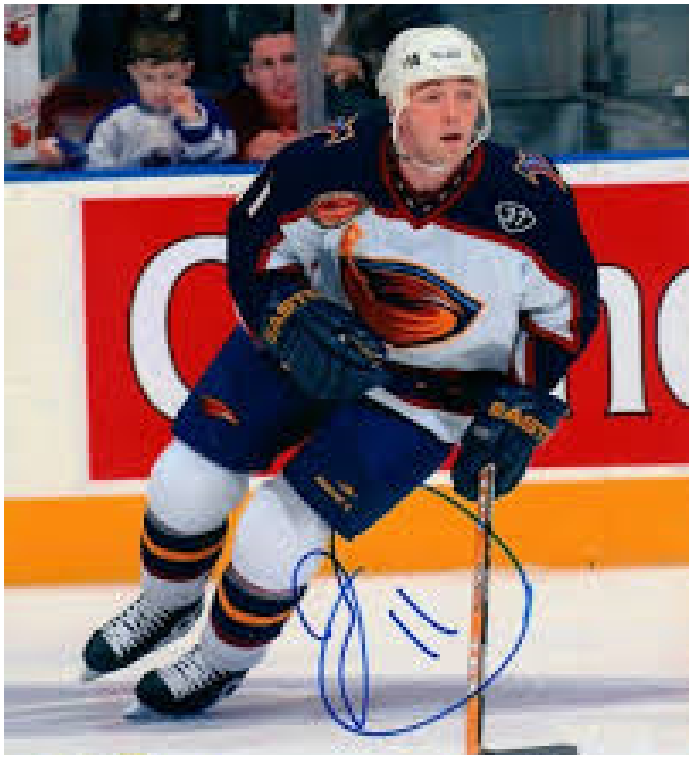

Vigier's Summer Hockey Development programs offer a unique on-ice experience that will push player development and build off of learned skill-sets. The skills we work on are going to be transferable to the next level, to help you with continued success and growth. Each component has been designed to improve upon individual skills and apply them to the fast-paced game of hockey. Through detail-oriented instruction, repetition and small area games, players will increase their on-ice awareness, read and react to changes in the game, and create plays under pressure.

Invitation to Dance

Public Early Bird Registration

Invitation to Dance offers high-quality classes in a safe, child-centered space where students of all skill levels can explore dance. With nurturing, qualified teachers, we foster inclusivity to help children build confidence, develop coordination, and create lasting connections. Our welcoming environment encourages self-expression and teamwork, inspiring young dancers to thrive both individually and as part of a community.

Calgary Young People's Theatre

2026 Summer Drama Camps

Calgary Young People's Theatre (CYPT) is a family-focused community that nurtures creativity and teamwork through performing arts. Founded in 1992, we offer youth aged 8-18 the chance to develop their skills in a supportive, inclusive environment. Through mentorship, camps, classes, and productions, we inspire confidence, foster self-expression, and build lasting friendships as young people embark on their creative journeys.

ARTSies

Grade 1-8 Theatre Camp

Our theatre campers will be among the FIRST in Canada to ever take on this exciting new material! It's an epic adventure that features all your favourite characters from the movie, along with new original music!

Hiccup is a young Viking who defies tradition and befriends one of his deadliest foes – a ferocious dragon he calls Toothless. Together, the unlikely heroes fight against the odds to save both their worlds in this wonderful adaptation that brings fire-breathing action and big laughs to the stage.

We love that this adventure will challenge our students to play with character based movement as dragons, learn some stage combat choreography as vikings, and provide an opportunity to bring an entirely new musical to life!

Neptune Theatre

Neptune Theatre School has delivered theatre education for 40+ years. Learning from practicing theatre artists and arts educators in Nova Scotia, students will obtain excellent theatre training through a diverse range of programming. Neptune offers Weekend Classes, Adult Workshops, Summer, March Break, and PD Day Camps. Neptune runs pre-professional training opportunities for teens: Academy, PREP, and the Youth Performance Company.

inesS® Circus

inesS® Circus offers an exciting Youth Aerial Circus Program located downtown Halifax at 1800 Argyle Street. Kids build confidence, coordination, and strength through aerial silks, sling, hoop, and more — all taught by our certified team of instructors. With a playful, structured level system (Levels 1–7), students progress safely in class. Advanced students can join the Junior Troupe for 2–3 weekly trainings and thrilling stage experience. Beginner classes are held in our cozy small studio with lower ceilings for a welcoming, hands-on feel, while our 30-foot beam in the atrium offers a world of possibilities for advanced skills. Our summer camps pack a full week of thrills — silks, trapeze, acro & flow arts, and theatre games — all in an inclusive, playful environment that encourages bravery, self-expression, resilience, and pure joy for youth of all ages and abilities.
